The Bridge

A Healthcare Community Connection

Hi everyone!

It is incredibly hard to believe that we are so close to the end of summer. Heather and I have been so busy lately that I did not even realize I have been with MSEPC for almost two months!

I have enjoyed getting to meet you all, and I am so thankful that we are able to have in-person meetings again. It has truly been a pleasure being able to work with you all.

As always, please feel free to contact Heather or myself using the contact information located on page 3.

2022 FedEx St Jude Championship Field Hospital

This year, we had 37 volunteers who worked approximately 325 volunteer hours for our field hospital at the FedEx St Jude Golf Championship. We saw 21 patients with 16 of those avoiding Emergency Department visits, thus decreasing the demand on emergency services.
